

All in for Kids Benefit

Friday, May 7, 2021

Join us as we gather virtually at this year's event to celebrate

120 years of Building Strong Children

by honoring JPA's past, applauding our current impact and looking ahead to the significant work that is planned for the future.

Your support allows us to continue working toward our mission of improving the social and emotional well-being and functioning of vulnerable children so they reach their fullest potential at home, in school, and in our communities.
